What is the St. Louis River Experience?

We are a 501c(3) non-profit organization created to provide free pontoon boating for seniors, veterans, people with disabilities and local youth programs at NO COST to our riders. Our trips go out of Pier B.

How does the program work?

Reservations are taken through our website from different organizations. Morning and afternoon trips are scheduled every weekday throughout the season. After training, Volunteers sign-up for the trips they want to help out on, as a mate or a captain. 2022 Season starts June 20 and goes until September 1.

SLRE Fun Facts

Our program started in 2015 with 53 volunteers. The response was so overwhelming, we just wanted to keep making the program better! Our pontoon is custom made and can accommodate up to 3 wheelchairs. We can take up to 15 passengers per trip (that includes 3 crew - 1 captain & 2 mates).

A few figures for each season:

- Passengers: 1800 - 2000
- Participating Organizations: 60 - 75
- Approximate Volunteer Hours: 2200
- Number of Volunteers: 50 - 60
- Tall Ships Event: Over 500 riders in 2 days!
